

2008 GROUP/SCHOOL RATES

Schools, camps and groups are offered a special discount when booking through our reservations department. Reservations can be made by emailing reservations@skyride.com or by calling 212 279 9777 x 200.

NY SKYRIDE allows (1) comp for each (20) paid and no prepayment is necessary for groups to 150 people. Over that we ask for a 25% deposit to secure your reservation.

New for Spring 2008 is our accompanying curricula that when used with the SKYRIDE experience meet New York State Learning Standards for Middle and Senior High School in Social Studies. Topics include [New York History](#), [Geography](#), [Human Geography](#), [Economics](#), [Art](#) and [English Language Arts](#) with a secondary emphasis on [Mathematics](#). The curricula include lesson plans with specific activities, worksheets and games as well as related resource materials. They are intended for use in the classroom, before and after the NY SKYRIDE experience, at the SKYRIDE experience and for use while exploring New York City. Additionally, all the curricula contain activities that link New York City and its buildings to concepts and issues in students' home communities.

Doing the NY SKYRIDE as a precursor to the Empire State Observatory is an excellent visual and educational introduction to NYC. Our group rates make the NY SKYRIDE very attractive especially when combined with the Empire State Building Observatory.

As a reminder, the NY SKYRIDE is open 365 days a year 8AM to 10PM (with modified hours on Thanksgiving Christmas and New Years). We are pleased to continue our policy of no cancellation fees and no blackout dates.
